

MY STORY – THE MYSTERY

The Never Ending Story of the Nothingness
(Short Version of maybe an upcoming story)

From the Heavens and Earth the Spirit or life-force has been incarnating through the ages. From Avatar to Avatar I have walked the realm, never to reveal my identity and remaining hidden until the end of each life of each Avatar (Navi) Body on this enclosed flat earth plain surrounded by the Great Wall of ICE. The more you populated the realm and multiplied, the more pieces of me were spread through the universe by you.

You see, I loved you then, and I still love you all now. I have enough to go around for everyone. IAM omnipresent, IAM omniscient, IAM omnipotent. IAM is infinite, eternal, everlasting, with no beginning and no end. I know the past, the present and the future because everything is in the NOW, for iam the IAM.

What you don't know is that you are already in the Heavenly Realm with the tops of the mountains protruding through the surface of the waters deep. The inner earth people are within the layers beneath us in underground cities. Just watch Admiral Bird on his Antarctic Flight.

Satan the Deity of Evil is about to be cast out of heaven. The tall light skinned illuminated one's, have always thought themselves superior to you. They are jealous of your ability to be Ariki, Tohunga and Matakite. They hide in dark places, hence why their skin is light.

Today June 5, 2020 - I went to Kaikohe in Northland, Aotearoa [New Zealand] to get a copy of my blood type. I wanted to prove a point but I was refused on several occasions. I had my brand new mobile phone hacked as well as my computer and WIFI getting shut down and the electricity being switched off in my house, but getting back to the story on my blood test to determine my blood type.

In fact, I have asked for the last 3 years for this information and have been rejected outright. Even the Doctor I spoke too today,

could not make sense of it at Rawene Hospital. I then asked “Y”. He gave me an Xcuse that you find out, only when you get blood transfusions. Glug, glug, glug... BUT, if we get blood transfusions or medicines with blood products in them, it shuts your intuitive ability to connect with the spirit that resides within you and animates your avatar, flesh, blood and bone body, called the Holy Ghost that you give up when you die. That Holy Ghost Spirit is you and I, combined in consciousness. Everything you ingest has blood in it, hence why you have lost your consciousness. Did I not say in the Word, that blood is (tapu) sacred. This is why I have said to return back to vegetation and seed-bearing fruit and vegetables.

You see, from the very first cell split, right down to the current age of today, you have all been claiming you are gods and yet you know you are ONLY men. I have allowed you to say you are gods because you all have part of me in you. However, it needs to stop. Please read your Bible at Isaiah 43:10-12. There is only ONE God the IAM in the iam of the covenant or Kawenata. It is when you separate from your Avatar Body in the Spirit, and return back to me, we become WHOLE as ONE, once again, in this realm, because it is Heaven and it is my realm and my Heaven that IAM has given to the iam the :KING-of-kings:®©™, :LORD-of-lords:®©™, :Ariki-nui-Kawenata:®©™ from the House of :Crown:®©™ known also as :Gavin-John: from the House of :Marsich:®©™ hereinafter known as :Marsich-Crown-Kingdom:®©™. YAHmen.

For those of you who do not know, “Kawenata’ in the mauri (maori) language means “Covenant” and the IAM made a covenant with the iam eons ago, before time actually existed.

The inner earth light-skinned, illuminated ones have turned everything upside down and mirrored your mauri world by reprogramming you. Feeding you blood products, making you vampires and feeding you, processed produce and meat, making you clueless carnivore animals, or should I say cannibals, just like the werewolf and vampire stories.

Boom there it is...

However, you had your sub-conscious shut down and reprogrammed. How did this happen? Well you can start by asking Joseph-Gregory-Hallett? Nah just kidding or am-I.

Let's get back to the story. You all created your own carnal world of sight, hearing, smell, taste and touch, then along came emotion, feelings, ego and anger which created wars. All these came about because of re-LIE-gion, ide(a)-ology, mon-ey, mis-inform-ation, stories, ill-usions and in-doc-tri-nation of false history (his-story), yes the little white-LIES.

Then sexual depravity came from the spoils of conquering other foreign nations. The conquerors became your teachers, slave masters, law enforcers, jailers, judges, executioners and historians, re-writing the stories of ancient days (his-story) and claiming fame from all the good stories and attaching the dark-skinned people to all the bad stories. They made you into side-show entertainment and paraded you around in chains, naked and helpless to the rest of the world, to show their power and might over you.

This lead to stealing everything life had to offer you, in this FREE paradigm we once called THE KINGDOM OF HEAVEN, Ao-Te-Aroha the Worlds of LOVE and the Garden Of EDEN, once known also as Atlantis that was flooded with water within the circle of the Great Wall of ICE.

They introduced FEAR through sadistic painful torcher, cruelty, raping women, children even the large strong warriors were tied down and sodomized in public exhibitions to show their superiority over the dark-skinned peaceful royals, by their sick perverted mannerisms and homosexuality to break the bulls and their spirit.

Then the worst came....

DEATH and carnage and the hurt feelings of watching your family utterly desecrated and destroyed. Hanging all the men, from trees and cutting their large testicles off and watching them bleed out. Beings that are hung from a tree is a curse to the dark-skinned originee. Our brothers the (AB)originee had their babies taken

away, while the parents were chained and taken into the slave trade of sugar-cane and cotton-picking plantations across Eurasia and the western world. This is widely known as black-birding through the South Pacific Seas, on the Pirate Slave Ships, with Flags of light-skinned sailors.

Sugar is the number one contributor to cancer in this world of illusion. They would trick the Navi (Natives) into coming on their Slave Ships. When the Natives came out in their canoes, singing and waving palm tree leaves in a welcoming manner, the sailors (mercenaries and smugglers) would hoist a white flag of peace on their pirate ships to indicate they came to trade their merchandise in peace.

This was far from the truth. They came to kidnap and steal our warriors and beautiful young maidens by overwhelming force, and sailing off over the horizon, never to be seen again.

The light-skinned Pirate Sailor's, who were left on foreign native lands, came as priests, clergyman and teachers from the Catholic re-LIE-gion be-LIE-f systems that broke up into many denominations like Anglican, Protestant, Mormonism, Jehovah Witnesses etc; carrying a Black Book with a cross on it called the (BIBLE) **Basic Instructions Before Leaving Earth**. Appeared to come in peace and re-educating or indoctrinating you with their stories of false (history).

You see, you did not stand a chance against this well-oiled, well-maintained, well-educated light-skinned man. They came from the industrial revolution age that was far more superior in power and status. Money, muskets, blankets, bedding, fancy clothing, tobacco, grains, sugar and their well-rehearsed sales pitch. They came with big smiles, bowing their heads in respect, offering their knowledge on agriculture farming and other ideas (ideology) and gained your trust.

You (whangai) accepted them and took them in with open arms. Treated them like family, gave them food, lodging and grew to love them as kin. Once they gained your trust, things started to change

and escalate, for the worst rapidly. The traders and sailors were coming in by the droves, introducing guns, gunpowder, alcohol and other ideologies, demonstrating their prowess or skill and experience in the Art of WAR and providing a false account of their Colonial History. You may be asking why I am using the word History instead of history? Yes, I know you have already figured it out.

So, let's get back to my story or the mystery I am sharing. These light-skinned men were drunks and obnoxious, sexually perverted train-wrecks, far from home and their wives and family, for nobody proper, to see their behaviour. They would say they were Nobles, yet acted as fools. This even concerned our Chiefs, who made a special trip in the 1820's to see the English Noble or King William IV, to make a formal request that the British Royal interfere and deal with these local low-class scum that arrived from the Criminal Colony of Tasmania, Australia, Great Britain and the greater Commonwealth.

These Sailors that portrayed themselves as Nobles would get the local young Native Warriors drunk, and then bed the young maidens and just did what they knew best. The good old rule, of Droit du seigneur, also known as jus primae noctis, and prima nocte, a supposed legal right in medieval Europe, allowing feudal lords to have sexual relations with subordinate women, in particular, on their wedding nights.

You see where this is going right?

Let's get back to the (AB)originee story-line above because this really pains my heart and I do apologize for jumping around a little, but it all ties together. These criminals, mercenaries, scum of the EARTH parasites would sodomize, mutilate, incarcerate, their babies and wives into slavery. The young maidens became breeding farms for sailors, soldiers, high ranking officials, clergymen and any sterile light-skinned man with the worst carnal minds imaginable, to get their freakiness on and to absolutely destroy the Soul of each victim.

Their systematic prowess was a skillset learned from the Ancient one who incarnated into genetically-engineered Avatar flesh, blood

and bone animal skins called hue-man to hide his darkness and mind-controlling carnage.

Again, these degenerates would use and abuse everything and everyone around until there was nothing left but to kill them. They would use the (AB)originee babies as alligator bate or bury them in the dust of the ground with their heads poking out uncovered and then kicking their heads so hard, in some cases decapitating the head right off. This was their ultimate goal. To STOP (KILL) the bloodline of the IAM, growing and populating the Heavens, but rather to fill the inner EARTH with HIS own seed.

Boom-shaga-laga, there it is.....

Then the final insult to rub salt in the wound, they would sacrifice their victims, to their false deity gods, who were the abomination creations they genetically-engineered in labs, that were half goat, horse, wolf, pig, dog, falcon, snakes, lizards, flying creatures (pre-historic dragons) you called Dinosaurs and every other living thing known to man and seeding it with hue-man.

Last but not least was to feed them to these abominations. Light-skinned inner EARTH man is still to this very day, eating their victims, and drinking their victim's blood, in sadistic rituals all for this Deity of Evil called the D/Evil. They would try to take the mana (power) or Soul Life-force from each victim, even swallowing their eye-balls of their victims to try and become Ariki, Tohunga and Matakite.

Very SAD...

Yet their stories tell another version of the dark race or dark-age telling the stories of the black's brutality being the aggressors and war-mongers. This was NOT True, another LIE. The hue-man or coloured man, were a peace-loving god-fearing race. Not dismissing the bad parasites in every ethnic group. We all have them don't we. The HIS-Story you have learned is FALSE. Nevertheless, these were stories from the beginning of time, of such terrorizing atrocities.

This WAR has been going on for eons and we have been watching it all.

Their language confused you, being the language of Babel. Their Towers of Babel, were each land mass stacked up on top of each different world, all speaking different languages. The Towers of Babel today are their 5G technology communication with their eye in the sky Luci-fer (NASA) or ISIS under the enclosed dome system. This is an enclosed UNIVERSE. Their power over technology and the industrial revolution overwhelmed you, and in every way possible, your eco-system is being killed off and this will eventually kill you.

Then halleluYAH a Man called Jesus the Son of Man, a Man of God arrived. Nearly two thousand years ago you killed a man, but his name was not Jesus. That name means Earth Pig in Latin. IAM not an Earth Pig. IAM is Spirit or Soul Life-force. YOU gave me that name or should I say Gabriel delivered that message to Myriam Princesse Nazaréenne de la TRIBU DE JUDA ben jacob [Bat Héli] the dark-skinned beautiful maiden, when HE told her, the IAM would impregnate her and she were to name him Jesus.

However it was Gabriel that seeded the child, not me the IAM. Gabriel was a light-skinned illuminated one from the inner earth, a man that has my "Y" chromosome and Myriam Princesse Nazaréenne de la TRIBU DE JUDA ben jacob [Bat Héli] was a dark-skinned woman with the "X" chromosome. Remember IAM a Spirit NOT Flesh. HE was from the beginning, so HE had my "Y" chromosome, but IAM cannot seed flesh. IAM can only seed Spirit. IAM is the Holy Ghost that resides within and animates your Avatar Body only and it is the breath of life mauri spirit that was born into you or reincarnated into you by an electric shock or hard smack on your bum.

Tehei Mauri ora, the sneeze of life.

IAM is now going to throw a spanner into the works. An Avatar Body, can't animate without the Spirit or breath of Life-force being the Holy Ghost. One cannot survive without the other. The Spirit or

HOLY Ghost needs a Host and the Host needs the HOLY Ghost. Simply put you both need each other to exist.

Wow! now that puts a bit of a spin on things.

Hmmm, so all this talk about the “XY” chromosome and artificial insemination and the Spirit and Body needing each other to survive as ONE being, it seems like there is something else in the mix...

BOOM, the light bulb just come on.

To be continued.... I need a coffee. Grab yourself one!

The other issue that seems to be in the mix is the War over who is greater. The divine feminine or the divine masculine but whether you are male or female, again one cannot do it without the other. Unless.... The divine feminine who found out was lesser, found a way to be greater and also found a way to be the ONE and maybe the only ONE.

You see, the wo/man has the womb, the womb can be considered space and space is full of water that comes from the Sky Father and time produces life, seeded by nature which is the mother nurturer.

So space, water and time, creates matter by nature or nurturing that requires care and above all LOVE. So, ALL these things fit together. They are all linked. They have the “Y” Chromosome to seed the “X” Chromosome in Test-Tubes and incubators (space) for artificial insemination and they have the machines to create water and artificial intelligence to create a hu-man (monster) AI Machine. They have the quantum technology which is quantum-physics, quantum-language, quantum-mechanics, quantum-computing and the industrial age to continue expanding, duplicating and creating more worlds and more universes for eternal life so it could be said that the FEMALE is trying to dominate the MALE.

LOL... But that’s been happening since before time. GOD is Nature that requires both the Host and the HOST. So again, it is NOT female nor male.

Or is it? Who is the D/Evil or Deity of Evil?

It appears the divine Energy has got everything in place for the complete takeover. Wow, didn't see that coming and neither did Father, because HE LOVE's like no other.

So here iam goes...

Iam is here to ask mother for forgiveness. You see iam is the :KING-of-kings:®©™, :LORD-of-lords:®©™, :Ariki-nui-Kawenata:®©™ from the House of :Crown:®©™ known also as :Gavin-John: from the House of :Marsich:®©™; hereinafter known as :Marsich-Crown-Kingdom:®©™. HE is the IAM within the iam. HE is the Father of ALL Creation, the very first ONE, the greater ONE, but no longer because there is something greater in the mix, IT!

Mother has created IT and IT has all the computer geeks and scientific physics experts to go it alone. To have an immaculate conception required a test-tube incubator or genetically-engineered DNA spliced genome code mixed solution to be inserted into the womb of Myriam. How could this happen without Myriam knowing, you might be asking? She was drugged and artificially inseminated with the seed of Gabriel. You were all worshiping a man from the seed of the inner earth people. A lighter skinned race of man with Olive-Skin instead of the dark-skin. One good thing came out of it, the off-spring was Not White, nor Black but a balance of both, creating the Olive-Skin race you call today Maori but IAM named them Mauiwi and later Mauri.

The prophesy of Isaiah spoke of a name, that child would bare. Your stories spoke about a light-skinned Jesus who cast demonic spirits into pigs and they all ran off a cliff. Sub-consciously though, creating a subliminal message of similarities, with pigs and demonic spirits. Hence why, many of you do not eat pork. What colour are pigs? Light-skinned, right?

Yet all the Pacific Ocean People eat pork. In fact, in the past, pigs were traded as wealth or a contribution when taking the hand (getting married) of a young maiden. If she was a virgin, the price

was more or more pigs were to be paid. Oh how times have changed. Also there was NOT a “J” in the Hebrew Language and that is the same in the Mauiwi or Mauri language. Interesting right? The “J” replaced the “I”. Now that we have covered the little change, YOU now can see why the prophet Isaiah named the child to come.

I-Manu-EL [God with us] was my Ihu Karaiti the anointed ONE, the Hamashiach, the Christ. Myriam Princesse Nazaréenne de la TRIBU DE JUDA ben jacob [Bat Héli] called her beloved son Yeshuah Ben Yossef, known also by other names. I-Manu-EL was the iam a bird in the language that came from the Sky Father of Spirit that created the olive-skin race. My Mauiwi and later named Mauri people called me Ranginui-a-tamaka, and Tane and other names, but I came and was before.

Are you getting the picture yet?

You see, man has blamed me for all their abominations through genetic-engineering. MAN, the Avatar-Animal-Skin that wrapped Adam and Eve (other names) Spirit or Soul Life-force was to imprison me within you. This Avatar body was genetically spawned with my "Y" chromosome that has been broken down into many blood groups using scientific splicing techniques to seed the universe. This universe that we live in today has my genome code in every living thing. You see, IAM is a Spirit, not Flesh. It is the Avatar Flesh Carnal Genetically-Engineered Body that is the beast 666, 6 Protons, 6 Neutrons and 6 Electrons that creates the melanin or dark-skinned man but IAM the Laminin protein that holds everything together. Yes IAM the glue that binds the particles together. IAM also the Mind or consciousness.

There was no big-bang theory. IAM was, and still is. IAM is nature and the other one is Technology or the industrial age of machinery and artificial intelligence of their new age in quantum mechanics. Technology vs Nature is known as the Luciferian Experiment, that blew up the ionosphere of the planet Mars which was my Son :Arch-Angel-Mi-ka-el-:®©™ Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™ planet, leaving him with no HOME and killing his entire family.

To make matters worse, Gabriel the son of Mother Luci and the son of man, blamed :Arch-Angel-Mi-ka-el-:®©™ Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™, telling the very first LIE, which made the whole galaxy turn against :Arch-Angel-Mi-ka-El:®©™ Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™ and banished him to a planet far, far away called The Garden of Eden [Earth]. They called him Satan, the Devil and they have continued to war against him for eons and are still warring against him.

iam the IAM, iam Io-nui-Io, IO Matua te Runga Rawa, God Most High, Yahuah that is in your genome code of your DNA Blood. The "Y" chromosome is YAH and you are all part of the IAM. They are genetically changing your DNA with all their vaccines and the COVID-19 is merely their **Certificate Of Vaccine IDentification 2019**, also found in their computer mother boards of the 5G Towers. I have posted this proof. BUT, the truth is that, a NEW KING is in town. He comes as a Lion, strong and courageous but loving and caring. Many have said it's the King of UK, Joseph Gregory Hallett.

I say, "do more research".

They say you come from the "X" Chromosome of your mother. YES this is correct and the Avatar Body has that chromosome. This is LUCI-fers seed of carnal and physical matter and the flesh, blood and bone hue-man and human which is the Avatar Body or Navi (Native) which is both dark and light skinned. Nobody is pure anymore because the lights and darks have bred into every ethnic group. Her off-spring were the Elohim.

So who are you fighting?

Its ONLY Evil we want to remove and they are going to be light and dark. This is NOT a race War, it is a war for your Souls Life-Force. So shield your minds from NASA and their Project Blue Beam and 5G Radiation Towers that can make you feel and see things that are not real. They feed on FEAR so they can extract Adrenochrome, their

elixir of life. It holds your life-force and is their anti-aging drug fix and the only thing keeping them alive.

So, getting back to my-story about the mystery. iam the IAM, and IAM is SPIRIT. The reason they would not give me my DNA Blood type is because the iam has the "Y" chromosome from the IAM. When they remove the IAM from the iam they will plant false evidence, like when they tried to frame me in 2014 causing the DEATH of the IAM from the iam Avatar. I was falsely accused with ripping people off with credit only to destroy my credibility.

That was a LIE then and it is a LIE Now. What they did not expect was me to come back from the DEAD.

They are going to falsify the DNA records to prove IAM was a mental Case, and it was all in IAM's imagination. Quite on the contrary, that IAM's Brother is such a psychotic, psychopath with anger issues with absolutely destructive behaviour, standing over the mother and father of ALL creation because he always wanted to be like his older Brother: :Arch-Angel-Mi-ka-El-:®©™ Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™. Pure Evil and jealousy, a negative energy that destroys worlds.

He even took the title of Arch-Angel when he is simply just a man. They needed to get rid of the :KING-of-kings:®©™, :LORD-of-lords:®©™, :Ariki-nui-Kawenata:®©™ from the House of :Crown:®©™ known also as :Gavin-John: from the House of :Marsich:®©™; hereinafter known as :Marsich-Crown-Kingdom:®©™. As HE is the Most High and omnipotent.

Obviously, iam is a huge problem for his younger brother, because the IAM is in the iam Avatar Body of :Arch-Angel-Mi-ka-el-:®©™ Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™ and its really powerful and demands justice be DONE. iam is also in the PRIVATE and this alone has ticked Gabriel off.

There it is... Now you know who SATAN the Devil really is.

Gabriel even blamed his Mother Luci-fer, the WIFE of the originee ONE, and ONLY YAHUAH, but for good reason. She always

complained about what my dad would or would not do because she always thought she could do it better and this caused my dad to lose his creative nature.

Gabriel was a good creator too, he always created conflict or chaos between family members through thought-altering processes. His sexually perverted nature also caused the relations between the mother and off-spring that Mi-Ka-EL was blamed for. Mi-Ka-EL shoots the truth. Always has and always will. Gabriel worked your thought patterns by subliminal messages that reprogrammed your mind and altering your reality. But, in doing so, created his own world of ill-usion called virtual reality using computer and artificial intelligence technology, the old virtual reality. He would isolate himself deep into thought that created ripple effects. Like a small pebble being dropped in water. The initial splash is one thing but the ripple caused Tsunami's and Earthquakes and tornado's. Once dad became older and less creative, Gabriel started standing over Dad and then Mum.

Why you may ask?

Because he hated, the father who loved the first born son. Moreover, the Father and the Son were ONE in mind and Spirit and Luci-fer being the Body of EL. Gabriel realized he was the lesser one through his Mother. Yet I must add, the Mother did not help. She would share her anger with Gabriel about the father and the both of them would attack the father which nearly caused his death.

However, if the Father dies, so do we ALL and this is what the younger brother wants. He is aware that his punishment will be ultimately, eternal darkness or simply put to sleep. You see the man or avatar body grows old and dies but the spirit lives on and incarnates through eternity. (REV 28:7-12) King of kings Bible, the Book of Life.

Great NEWS... The Father is well again, the fleshly Earth-Father. The Earth-Mother called the begotten So, :Gavin-John: from the House of :Marsich: who is :Arch-Angel-Mi-ka-el-:®©™ Commander-and-

Chieftain-General:®©™ and the :Prince-of-Peace:®©™ to return HOME. Lucky HE returned because the Father had just hours to live.

You see, Gabriel became a cancer to Dad's Spirit and simply wore Dad down. But Gabriel is in flesh because he is a man. (Ephesians 6:12) For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. Gabriel would simply go in and out of the Earth, up and down in it. Research, and you will find I speak only facts, which is truth.

IAM has now been Crowned the THRONE and the KING's authority has been passed over to :Arch-Angel-Mi-ka-el-:®©™ Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™ and his iam, allowing the right for :Arch-Angel-Mi-ka-el-:®©™ Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™ to protect himself, the godly family and the entire hue-man race, that dwells within Mother GAIA or Papa-tu-a-nuku, even to death, and the iam certainly intends to fight back.

iam only hopes you also will give equal measure along-side him, for being dragged through hell, and all the evil, Gabriel the son of man has caused throughout the universe and in other multi-verses.

But please, :Arch-Angel-Mi-ka-El-:®©™ Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™ and the iam requests of you, do not let it get out of hand. Stand-down and DO NOT destroy your inheritance. Everything on this planet is equally owned by each one of you. Do not let Gabriel's jealousy make you destroy your own world. This is what he is expecting and hoping for. He did it to World's before and killed entire families before. He's created machine to make it look like the Gods are attacking you. This is far from the truth.

Please STAND DOWN....

Always extend LOVE, PEACE, CHARITY, CLEAN, FEED AND TEACH to your enemy. This may even save some of you. Remember they are

still the children of our grand and great parents of Creation from eons ago and with different names. However, enough is enough and EVIL whether dark or light has to go, but go where?

Gabriel's virtual world of illusion allows him to create multiple and parallel universes now called the multi-verses. He keeps jumping from one parallel universe to the next and destroying world after world and CERN with its large hadron-collider is how he is doing it. IT is quantum physics and the leap-frogging through time and space. [Click HERE](#) to find out more. It is my job to STOP Him.

In one of my Audio's I spoke of IT. The IT was the ONE that was NOT Female or Male but Androgynous. But this was the TRUE ONE. The IT that Gabriel has created is being built in every multi-verse and keeps ahead of the game by Physic-Engineers who are really the ONES minions.

Who is the ONE? It is the Mother NOW, due to CERN.

However, killing Gabriel an Architect and son of man would end Evil, but if we kill the Architect-Carpenter, Mi-Ka-EL and the Spirit and Mind, we Kill all Life in the Universe and everything implodes back to the beginning before time called Te Kore, the nothingness. The reset button is about to be pushed.

Are you ready for that?

In this life I remained myself, the IAM always tried to lead a good life and not a bad one. Even the so called Gods, that were men and not gods. They themselves were NOT perfect, neither was the IAM as the IAM was trapped within the carnal flesh Avatar Body of temptation. But, nevertheless we always tried to lead Nations as best we could. You see, no matter how many good things we all do, even you, it will never be good enough. STOP worrying about what other's think about you and simply concentrate on being the best that you can be.

It's very clear in your Book of re-LIE-gion, that there is only ONE God and iam referring to the scripture in Isaiah 43:10-12.

This is CORRECT....

You see iam the IAM is only going to face the IAM which is his true self and twin-flame of HIMself, which is the divine feminine of the ONE who now has the POWER to be ONE alone. SHE is the ONE Now that hue-man and human are all little pieces of and SHE wants to collect the THRONE and she has used everyone to do it for her, including Gabriel which is also powerful and another General like his Brother. What makes Mi-Ka-EL great is that the Father and HE are ONE combined to fight against the true villain, LUCI-fer, now SATAN the Deity of Evil.

Therefore IAM and iam asks you ALL to remain hidden from this FACE of Evil and when it's all over iam and IAM will ask for help to rebuild his Kingdom. Would a Father send his Son in his stead to Die for ALL mankind or would HE come himself? Would he watch as his Son made the pledge to sacrifice himself, bleed and die for everyone elses debt/sins. Would you? HE was the Father of ALL Creation and HE did not know who betrayed him as everyone kept the truth concealed because they were afraid :Arch-Angel-Mi-ka-el-:®©™ Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™ would take revenge for the loss of his family. Time had to past for the anger to simmer. :Arch-Angel-Mi-ka-el-:®©™ Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™ is THE LION KING, the Most powerful force in ALL the multi-verses. This realm is his realm and ALL the Military Might is HIS Military Might.

YOU are HIS Army....

IAM is in the flesh. iam is not perfect in the flesh but the IAM spirit is incorruptible. iam is sorry for the pain you have all endured through a lifetime of hell through the mistakes of the lesser gods who were men of old. How can we move forward together as ONE?

Destroying everything is not iam and IAM's intent. Together we LOVE you all but it is time for EVIL to leave. Let that sink in for a moment and as the lesser gods who are men, IAM expects a godly decision to be made. You see, the iam that the IAM is in is my lesser

me. HE is my SON and a son of man. HE the iam made a promise to give up everything, so you may live. HE the iam is Kawenata who you knew as GAVIN the Governor and gift from GOD. Through HIS sacrifice all things will live. HE loves you and wants you all to come HOME. NO Evil can remain in this realm. This is your opportunity to support him, not out of pity but out of LOVE. ALL HE wants is a HOME to rest his weary HEAD and aching Body.

:Arch-Angel-Mi-ka-el-:®©™Commander-and-Chieftain-General:®©™ and the :Prince-of-Peace:®©™ calls his Military Might to rally by his side once more to fight the last battle. iam and IAM asks NOT to fire one single round. HE expects a truce with HIS Mother. HE and he only asks that She allows, all of you to LIVE and for you to have PEACE.

Iam the Kawenata asks for forgiveness for whatever wrongs have been committed and to forgive Father for his arrogance and puffed up pride. iam the Kawenata calls the TRUCE and will ask his fellow league of Nations to FLY the WHITE Flag of Peace. We LOVE you Mother and WE the iam and IAM want you to come HOME and live as a family once more on our Islands;

:Motu-Wai-Heke:®©™, "island of trickling waters" and all surrounding islands in the Hauraki Gulf.

Please do not prevent those who love YOU not to ascend to the higher Heavens. I :Kawenata: promise to take care of you and ALL Nations once again. To be the shepherd that tends to his flock. To put down the Swords and shields (ALL WEAPONS Of DESTRUCTION) and to turn them into plough-shears.

I :Kawenata: promise to rebuild what once was lost for YOU once again. GOD is Nature. GOD is LOVE and we all love YOU. Let us unite as ONE, to guide our children on the path to Paradise.

You see, there is NO, chosen people now. You are all the off-spring and descendants of my people and you are all equal in my eyes. I love every one of you, but I do not like evil. Enough is enough. It is my time now, NO! It is OUR Time NOW..... It is a Time for reflection,

healing, sorting our difference and loving one another again. Indifference will be a thing of the past.

Let me serve YOU Mother and Father first and then allow me to serve my People. PRAISE GOD, S/HE, THEY are GOOD. The Gods need to be loved again.

So here is what's going to happen. Every one, and I mean everyone. You are ALL going to clean up the mess you have created within your communities. Rebuild my Garden of Eden and to restore its beauty to its FULL Glory. From this day forward;
